There is only one name for a genuine lever-action: Winchester.

In the Old West a hard-riding cowboy treasured a good hat, a smart horse, a comfortable saddle and a rifle that carried the name Winchester. Proudly crafted in polished blue steel and checkered walnut, the lever-action repeating saddle rifle was the Gun that Won the West.

Today these classic Winchester rifles can be yours — including the robust Model 1886, the legendary Model 1873, the iconic Model 1892 Carbine, the famous Model 94® and the single-shot Model 1885 (not shown). While some people might be content with an off-brand substitute, no gun will ever offer the lasting value, reputation, fine workmanship, smooth feel and absolute dependability that a genuine Winchester lever-action saddle gun brings to your western rifle collection.

It's high time you slid a genuine pioneer of the Old West into your saddle scabbard, from the only gunmaker worthy to stamp the Winchester name on the barrel.
